Travelling News from and for tourism lovers

Il est recommandé d'entamer la première visite d'Istanbul par le Palais de Topkapi, siège des sultans de la Sublime Porte. Vous y verrez notamment son célèbre harem et les remarquables musées de l'Ancien Orient, des Antiquités et de la Céramique.

Byzance, Constantinople, Istanbul. Capitale de l'empire romain d'Occident, puis de l'empire Byzantin, ville grecque, romaine, vénitienne, génoise, la grandiose cité sur les bords du Bosphore devint ottomane en 1453 lors de sa prise par le sultan Mehmet II et le siège d'un empire qui allait bientôt conquérir la moitié de l'Europe avant de décliner lentement jusqu'à son terme après la Première Guerre mondiale et l'avènement de la Turquie moderne sous l'impulsion de son fondateur, Mustafa Kemal Atatürk. Istanbul a, de tous temps,

fasciné l'Occident et c'est toujours le cas aujourd'hui car la grande métropole, mosaïque de peuples divers, à cheval sur l'Asie et l'Europe, possède un patrimoine historique et culturel extraordinaire. Il faut la visiter plusieurs fois avant d'en saisir toute la richesse. Ma dernière visite de trois petits jours, à l'invitation de nos collègues de la FIJET-Turquie, ne m'a donné qu'une envie: celle d'y revenir.

BULGARIA

- Fijet Bulgaria and Plovdiv City Hall organized Press Trip with the presence of international media 15-18 September, 2022;

ITALY FLAI

- **Travel Expo 2022- Fijet launches attention on the 2023 return tourism movement,**

The 24th edition of Travelexpo, the 2022 global tourism exchange, held in the wonderful scenery of Città del Mare di Terrasini, hosted the annual national assembly of the Fijet, journalists and writers of tourism, on 27th of September.

The meeting served, in addition to the approval of the budget, 2022 budget and 2021 final balance, to give impetus to the initiatives that the association intends to promote after the closure that made the tourism sector immobile for about two years.

- The "Return Tourism" will be a lever that will allow Fijet Flai, through the promotion of regional traditions, excellence, villages and territories from which emigration started, to intercept our compatriots who are interested in the search for their origins and get to know Italy.
